DENTISTS: We have a vast number of dental providers on our network. Please visit our webpage to search for a provider most convenient to your location.

NOTE: no claim will be honoured if a non-network provider is used.

IMPORTANT — not obtaining pre-authorization before a procedure classified as SPECIALISED will result in non-payment of any claims relating to these procedures.

Exclusions

Certain exclusions apply across all the products. Please request a copy of this document or visit our website and search under DOCUMENTS for this information.

All members must be under the age of 65 years at the age of joining. Membership will continue after the age of 65 years.

How to claim

For Dental Claims

- Our selected claims partner specific to dental plans, DRC, will administer these claims.
- As these are network linked products, all dental related invoices are submitted by the dental practice directly to DRC for claims adjudication matching to your benefits, limits and successful pre-authorisations (if applicable).
- Members and providers may send their claims to us via email to claims@agshealth.co.za.
